ABOUT MEMORY TREASURES

Memory Treasures by Smallprint provide a very personal and comforting, treasured reminder to those who have lost, or are about to lose a loved one.

Each Memory Treasure has the unique fingerprint, hand or footprint of your loved one captured in fine silver and engraved with their name, to be worn as a pendant or charm or simply treasured in a keepsake box. Each piece is individually handcrafted, for you to commemorate the passing of someone you love.

Fingerprint range

Fingerprints are taken using a special mould and then transferred by hand onto your choice of keepsake.

Hand and footprint range

Hand & Footprint jewellery can be made from a pre-existing print, or a print taken using our special print-taking kit.

Keep this flyer along with your loved one's prints and when you are ready to order your keepsake, please contact me as per my details below.

Our keepsakes are for young and old and I will handle your enquiry with sensitivity and compassion.
